Vibracoustics® 

HOW TO FIND US SYSTON MAP

From the M1 heading Southbound:

Leave at Junction 22, and follow the A50 towards Leicester. Exit the A50 just before Groby by taking the A46 northern bypass, signposted towards Newark and Loughborough...**Then:**

From the M1 heading Northbound:

Leave at junction 21A, and take the A46 northern bypass towards Newark and Loughborough...**Then:**

Then:

- Continue on the A46 northern bypass until approaching a large roundabout instructed by a gantry of traffic lights.
- **Do not filter left!**
- Go straight over this roundabout, signposted Syston.
- Almost immediately, there is another roundabout, take the 3rd exit onto Glebe Way.
- Go straight over the next roundabout, continuing along Glebe Way.
- Take the 1st exit at the next roundabout, and travel along Wanlip Road.
- Go straight over the next round about, keeping the Petrol Station on the left hand side.
- Wanlip Road then continues to a 'T' Junction type mini roundabout, turn left here onto Melton Road.
- Go over the railway bridge, and straight over the next mini roundabout.
- Cross Street is situated off Albert Street, which is the first turning on the right after Wellington Street.

Vibracoustics is continually seeking to improve products and reserves the right to change designs and specifications without prior notice or alteration of literature.
